PERMIT FEES*

The fee total for this application is \$114.50. Permits are valid for one year from issue date and may be renewed for \$55.00 per year for a total of four additional times (maximum five years). Payment is to be made payable to "Pend Oreille County", or "POC" (cash or check only). Applications may be delivered to the Community Development Department at: 418 S. Scott Ave, Newport, WA 99156; or mailed to: P.O. Box 5066 Newport, WA 99156. Payment is required to be attached to the application upon submittal.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with, whether specified herein or not. The granting of a permit does **not** presume to give authority to violate or cancel the provisions of any other federal, state, or local law regulating construction or the performances of construction.

The following information must be provided. Should any of the following minimum information not be provided, the application may not be accepted nor processed. A complete application includes:

- | | |
|--|---|
| <input type="checkbox"/> Approved Site Evaluation Application (2 copies, if applicable) | <input type="checkbox"/> Sewer information (ON/PT# from Tri-County Health District, or Willingness to Serve letter) |
| <input type="checkbox"/> Completed Plumbing <i>Permit</i> Application and \$_____ fee | <input type="checkbox"/> Well log and water test Or Willingness to Serve letter |
| <input type="checkbox"/> Signed <i>Landowner Consent</i> Form (if applicant is not property owner) | |
| <input type="checkbox"/> Completed <i>Checklist</i> Required | |

Potable Water

Per the Washington State Building Code (RCW 19.27.097), each applicant for a building permit of a building necessitating potable water shall provide evidence of an adequate water supply for the intended use of the building. Evidence may be in the form of:

- A water right from Washington Department of Ecology
- A letter from an approved water purveyor stating the ability to provide water
- A form sufficient to verify existence of an adequate water supply
 - A Well Log will satisfy this requirement

For **Public/Community Water Systems**, you will need to provide a letter or form from the water system owner or operator stating that their system is able and willing to supply potable water to your proposed building site and the location of the proposed building site has been reviewed. Please include the water system's identification number assigned by the Washington State Department of Health.

For **Private Wells**, potable water must be tested by a laboratory certified* by the State of Washington and meet the following standards prior to issuance of a building permit:

- | | |
|--|---|
| <ul style="list-style-type: none">• Bacteria Test<ul style="list-style-type: none">◦ Coliform Bacteria: None Present• Inorganic Test<ul style="list-style-type: none">◦ Arsenic: Not more than .01 mg/L | <ul style="list-style-type: none">• Lead: Not more than .015 mg/L• Nitrate: Not more than 10 mg/L• Uranium: Not more than 30 mg/L |
|--|---|

Sewage Disposal

Per Washington State Law RCW 19.27.031 (4), RCW 43.20.050, WAC 246-271-020, WAC 246-272-20501, all plumbing fixtures, drains, appurtenances, and appliances used to receive or discharge liquid wastes or sewage shall be connected to the building's drainage system.

—AND—

Prior to issuance of a building permit for a building in which sewage or wastewater may originate, the applicant shall obtain:

- A letter or form from an approved sewer system owner or operator stating that their system is able and willing to accept sewage and/or wastewater from said building. The letter or form shall also state the owner or operator has reviewed the location of the proposed structure; OR
- An approved on-site sewage disposal permits from the Northeast Tri-County Health District (509) 447-3131

**I hereby verify that I have read and examined this checklist and have submitted the information as noted on this checklist.
All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not.**
